Albert Hill Middle School will host 2nd Annual EcoFest May 16

Classroom discussions about the environment and how to protect it have encouraged parents and teachers to hold the 2nd Annual Ecofest at Albert Hill Middle School Saturday, May 16 from 11 a.m. to 3 p.m., rain or shine.

The festival is designed to raise awareness about the environment through games, activity booths, and demonstrations. The event also will feature giveaways, food, a silent auction, entertainment, and a dunking booth.

The Albert Hill Ecofest was established by the school's PTA in 2008 as a way to provide students with more insight and experience regarding environmental preservation issues and to encourage them to go green. Albert Hill Middle School currently participates in school-wide recycling efforts of various materials.

Volunteers are still needed for this event, and the community is encouraged to participate. Donations for the silent auction are still being accepted.

Albert Hill Middle School is located at 3400 Patterson Avenue.

For additional information, contact Rita Johnson, event coordinator, at 245-1143, or Michael Kight, principal, at 780-6107.
